## Gulf Underwriters Insurance Company

*To learn more about the insurance policy incentives, contact a Gulf Underwriters Insurance Company representative and request an environmental insurance application package ♦ Indicate on your application (or policy renewal) form that you are a TURA filer and would like to participate in the **Environmental Insurance Incentives Program** ♦ For more general information about the Massachusetts Environmental Insurance Incentives Program visit the web page at <http://www.mass.gov/ota/eiip.htm> or contact the Massachusetts Office of Technical Assistance at 617.626.1060 ♦ Insurance incentives available are subject to change at the discretion of the insurer.*

*The Office of Technical Assistance (OTA), a **non-regulatory** branch of the Massachusetts Executive Office of Environmental Affairs, assists Massachusetts facilities with reducing their use of toxic chemicals and/or the generation of toxic manufacturing by-products. OTA's services include technology development and product research, leveraging federal and state funding to promote new equipment purchases and environmental management systems support - all at **no charge**. Through a one-on-one, hands-on approach, OTA is able to provide clear, specific guidance that businesses can readily put into action. For further information, visit the OTA web site at **[www.state.ma.us/ota](http://www.state.ma.us/ota)***
